Our Mission

As part of one of the world’s finest public universities, we pursue excellence in research and teaching to inspire and educate responsible leaders who improve business, drive innovation, and generate prosperity in British Columbia and throughout the world.

Jessica Lam, BCom 2010
Co-founder of the Beijing startup Kaiterra. In 2017, she was named in the Forbes 30 Under 30 Asia: Consumer Technology, thanks to the success of Kaiterra’s innovative air quality monitoring products.
