Admissions decisions are based on a combination of the following:

- 1 Complete Academic History** of courses you have taken at UBCO and any other post-secondary institutions that you have attended.
- 2 The Personal Profile** includes questions about challenges you have overcome, significant achievements in your life, your academic pursuits, and what you have learned from these experiences. We are not looking for a particular experience, and there are no right or wrong answers. Focus on what you want to say about yourself and how you want to say it – not on what you think we want to hear.
- 3 The Video Interview** includes two prerecorded interview questions about your own opinions and experiences. Your recorded responses will give you the opportunity to showcase how you can think critically, perform under pressure, and stand out from other applicants. Communication is key to your success in the BCom program. We want to see that you have understood the questions we've asked and that you can provide unscripted, insightful, and complete answers. **Be clear, confident, and authentic!**

## Frequently Asked Questions

### Can I apply to start the BCom program in January?

No. We have only one intake of new transfer students per year who start their studies in September.

### When do I need to have all of my required courses completed?

All required courses for admission must be completed by April of the year for which you have applied. University level courses completed during the summer will not be used to determine eligibility for admission of that same year.

### Can a UBCO student transfer to Year 3 at UBCV?

No. As a UBCO student, you will not be able to fulfill all of the admission requirements for Year 3 entry to UBCV BCom, therefore, you will need to fulfill Year 2 transfer requirements.

### How many credits can I transfer into the BCom program?

A transfer student may be granted transfer credit for a maximum of 50% of UBC Sauder's degree requirements. The BCom degree is comprised of 121 credits, so you can transfer up to 60 credits.
