

Sauder Executive Education Goes Online

Take this opportunity to enhance your knowledge and expand your competencies no matter where you are during this disruptive time. We've remodeled our program offerings to bring you a number of online options that will keep you engaged and inspired. While the learning location has changed, the content remains the same. Immerse yourself in a learning environment that allows you to participate in thought-provoking discussions with our award-winning faculty and leading industry instructors. Connect and collaborate with your peers. Build communities of practice by accessing the best UBC Sauder Executive Education has to offer.

What we offer:

Interactive real-time sessions with top faculty and/or industry leaders

Content resources that you can access as often as you need

Personal, targeted, real-time feedback that supports your learning journey

An online community that inspires social learning opportunities
