Over 46,000 alumni in 92 countries

Why UBC Sauder?

UBC Sauder’s Vision
“To build a more just, sustainable and prosperous world through innovation and responsible leadership.”

As we prepare our outstanding and diverse students for the world of work, we impart the values of rigor, respect and responsibility from day one. We highlight these values through transformative learning experiences, both inside and outside the classroom, to help students develop a deeper understanding of themselves and the world around them. Through this, and an innovative focus on emotional intelligence development, we encourage our students to consider the wider impact of their actions and to find proactive ways to empower others on their journeys as responsible leaders.
Getting students career and life ready
As innovative career educators, we support our students in both personal development and creating meaningful professional choices to prepare them for their future careers. We achieve this through customized services focused on personal and professional development and engagement with business communities.

Personal Development
We offer a wide range of programs and services to help students build their self-awareness and understand their personal values, strengths and aspirations. With this foundation, students are better prepared to forge careers that are meaningful to them. They will understand how their values align with future employers and how they can add to an organization’s culture.

These services include 1:1 career coaching and emotional intelligence (EQ) development opportunities, among others. We provide students with tools to grow as empathetic, responsible leaders to help them thrive today and in their future careers.

- 19 staff certified in EQ coaching (2020/21)
- 475 appointments for coaching debriefs (2020/21)

Professional Development
We provide students with the tools to successfully transition from the classroom into the workplace. Considering our employers’ needs, the market and our students’ professional goals, we offer work experience opportunities for students to gain the hard skills and the human skills that are essential for current and future success.

Through our Co-op work terms, internships, real-world consulting opportunities, mentorship programs and more, we prepare students to add value to organizations as soon as they walk in the door.

- 380 UBC Sauder students participated in mentorship programs (2020/21)
- 786 Co-op work terms, internships and volunteer consulting projects facilitated by the Business Career Centre (2020/21)

Career Centre’s Vision
“Students are ready for their unique career journeys as responsible leaders, both today and tomorrow.”

Engagement with Business Communities
Employers like you are vital to our students’ career development, which is why we foster a rich network between our students and business communities.

Through informational interviews, mock interviews, networking events, company information sessions, case competitions and live cases in the classroom, we facilitate student connections to business communities. By engaging with UBC Sauder students, you get front-line access to new, high-achieving talent.

- 988 connections facilitated between students and the business community (2020/21)
- 151 employers participated in our networking events to meet and engage with our students (2020/21)
- 217 companies hosted information sessions (2020/21)
Engage

Whether you’re a large organization, non-profit or startup entrepreneur, here are some of the many ways you can connect with UBC Sauder students, increase your organization’s visibility on campus and find talent. In-person and virtual options are available.

**Informational Interviews**
Connect with UBC Sauder students 1:1 to help them explore their career path, or have a conversation with a student interested in your industry or company.

**Mock Interviewers**
Get to know our students and help set them up for success by taking part in student mock interviews.

**Networking Events**
We host a number of networking events throughout the year. Attend to get a sneak peek at emerging talent or establish connections with potential hires.

**Company Information Sessions**
Showcase your company’s culture, vision and job opportunities to current students. Host a session on campus, off campus or virtually.

**Student Clubs**
Build awareness of your upcoming recruitment activities and connect with targeted groups of candidates. Learn more about undergraduate student clubs at cus.ca and MBA clubs at mbasociety.ca

**Mentorship Programs**
Enrich the educational experience of our students by sharing your knowledge and industry expertise through one of our many mentorship programs.

**Informational Interviews**

Recruit

Hire UBC Sauder Interns and Co-op students for short-term projects and initiatives during their academic program, or hire upcoming and recent graduates for full-time roles. Promote your job opportunities and organization at no cost to our outstanding and diverse groups of students, saving you time and money.

**Post an internship, Co-op position or summer project**
Hire candidates throughout the year with positions starting in September, January, May/June. Promote your opportunities on COOL—our online recruitment platform—and reach up to 4,200 current students. Learn More

**Post a new graduate role**
Hire new graduates and recent alumni throughout the year. Promote your opportunities on COOL—our online recruitment platform—and reach upcoming and recent graduates. Learn More

**Interview**
We make it easy for you to interview UBC Sauder candidates. We can provide the facilities, schedule interviews, and take care of all the logistical details.

**Develop a campus recruitment strategy**
Work with us to navigate your options and build a plan to target the student groups you want to reach to meet your just-in-time or long-term hiring needs.

**View Profile Books (graduate programs only)**
Preview profiles of new talent looking for internships and profiles of upcoming graduates available for full-time positions. We can connect you directly with potential candidates who have appropriate experience, knowledge and career interests.

## UBC Professional Master of Business Administration (PMBA)
PMBA candidates are working professionals with an average of 6 years of experience looking to advance their careers. These candidates are strategic thinkers possessing working project, people, and time management skills and are key leaders and managers across a diverse range of industries in the Canadian market.

### Experience:
- 7 years average
- Students enrolled: 111
- Age range: 26-43
- Program length: 24 months
- Availability:
  - Year-round

## UBC Bachelor of Commerce (BCom) Experience:
- 0-2 years

## UBC Master of Business Administration (MBA)
Selected for their diverse perspectives and backgrounds, MBA candidates are poised to impact organizations in today's competitive international business environment. These experienced candidates gain a holistic understanding of business and learn to make strategic decisions to maximize success.

### Experience:
- 6 years average
- Students enrolled: 110
- Average age: 29
- Program length: 16 months
- Availability:
  - Summer Internship: May-August
  - New graduates: January

## UBC Master of Business Analytics (MBAN)
MBAN candidates are equipped with the most sought-after analytical competencies to make strategic decisions within a broader business context. They deeply understand business challenges and can uncover data insights that lead to compelling and meaningful recommendations for your management team.

### Experience:
- 3 years average
- Students enrolled: 66
- Average age: 26
- Program length: 12 months
- Availability:
  - Internship: June - August
  - New graduates: October

## UBC Master of Management (MM)
High achieving and diverse entry-level talent with in-depth business expertise, UBC Master of Management candidates bring a multidisciplinary perspective to business that blends their nonbusiness undergraduate degrees with Master’s-level business training.

### Experience:
- 0-2 years
- Students enrolled: 112
- Average age: 23
- Program length: 6-9 months* (Varies for some MM students, depending on their undergraduate program)
- Availability:
  - Community Business Project: September - November or January - March
  - New graduates: January and August

## UBC Bachelor of Commerce (BCom) & BCom Co-op
The UBC BCom program equips high-achieving, top talent from across Canada, and around the world, with a broad foundation in business theory and in-depth experience in 12 specializations, making them ideal candidates for junior and intermediate roles across any industry.

### Experience:
- 0-2 years
- Students enrolled: 4,000
- Co-op Students enrolled: 500
- Age Range: 18-30
- Program length: 4 years
- Availability:
  - Summer Internship: May – August
  - Co-op Work Terms: September/January/May
  - Part-time Positions: throughout the year
  - New graduates: June and January
Hire a Bachelor of Commerce Co-op

Pre-screened talent selected for leadership, teamwork and strong transferable skills.

More than 1/3 of our Co-ops convert into full-time positions, saving you time and recruitment costs.

Work areas include finance, accounting, marketing, human resources, business technology management, and more.

Receive added support from the Co-op Program via site visits and student check-ins so that you get the most value out of the student’s work experience.

Class of 2020/21 career outcomes
Hire a Master of Business Analytics Intern

During the 12-month program, students learn analytical competencies relevant to strategy, finance, operations, supply chain, marketing, HR and more.

Summer Internship Duration:
June - August, full-time (minimum 12 weeks)
Students are available to start part-time work in June during the last period of academic study.

Students cover the full range of advanced analytics work:
- **Descriptive analytics**: understand and visualize what has happened.
- **Diagnostic and predictive analytics**: identify drivers and forecast outcomes.
- **Prescriptive analytics**: find optimal solutions to complex problems.

Students are also adept at:
- Working in teams to develop robust decision support tools.
- Communicating technical results and recommendations to management audiences (e.g. storytelling through data).
