Designed for impact - Iterative, consultative program design process

4

Deliver - support to ensure a seamless and professional experience

5

Review - feedback and identify areas for improvement

### CREATING LASTING VALUE

- Actionable skills
- Business knowledge
- Relevant to your organization and industry

# Global Executive Education

Located in Vancouver, Canada's gateway to Asia Pacific, and one of the world's most attractive locations, UBC Sauder Executive Education delivers programs designed to make a real difference in the way you do business. We are the largest executive education provider in western Canada, offering an extensive selection of programs, including two to five day open enrolment courses, in-residence programs for senior leaders, and custom programs for organizations.

# Grow Your Organization's Talent Capacity

Our programs will develop your employee talent and accelerate your organization's business objectives. With a variety of programs taught by top UBC Sauder faculty and leading industry experts, we zero in on your goals and ensure you get results. Our custom programs are designed specifically to build and align with your strategy, culture and values and achieve your pre-defined learning objectives.

# Tailored Specifically for Your Development Needs

We offer a full range of customized learning solutions ranging from fully customizable integrated corporate programs tailored to fit your precise business and development needs, to in-house delivery of open enrolment courses and co-branded corporate certificates. Enabling you to develop an in-house curriculum of courses, build specific competencies and have these delivered by award winning faculty in a range of locations and formats.

# Does Your Organization Have A Unique Challenge?

This is what we have to offer:

- An in-depth collaborative design process involving our leading faculty and program team
- An integrated learning solution to help you meet your organization's needs and challenges
- Blended delivery methods to fit within the learning culture at your company, including face-to-face, virtual coaching and flexible delivery options
- Engaging key stakeholders, leveraging client frameworks, identifying main topics, developing content and curriculum
- Program reviews to gather feedback and measure the impact of learning in your workplace
- Custom programs specifically offer a great return on investment by taking your whole organization's leadership and management skills to the next level
- Delivery at either the UBC Robson Square campus or preferred location

## Contact Us

Partnering with UBC Sauder will ensure your organization can grow and prosper by empowering your employees to think strategically and apply business management principles to their roles.
